

CITY OF
TORONTO

Message from the Mayor

It is my pleasure to extend greetings and a warm welcome to everyone attending the Waste and Recycling Expo hosted by Messe Frankfurt, Inc.

This event presents a great opportunity to learn about the latest technologies, equipment and services available in the waste, recycling and public works markets.

As climate change and the environment becomes more prevalent in our society, discussions around waste management and recycling are vital for our city to move forward. Thank you for facilitating this important discussion and finding ways for our city to advance in waste management and recycling.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory
Mayor of Toronto
