

# BearCom acquires event radio rentals business

June 3, 2019: Dallas, TX —BearCom Group, Inc. (“BearCom”), the nation’s largest and pre-eminent provider of wireless push-to-talk communications equipment and solutions for two-way radios and other voice, video, and data technologies, today announced that the event radio rentals business of Creative Communications in Phoenix, Arizona, has joined the BearCom family.

The event rentals business team has earned an impressive portfolio of repeat customers through a relentless commitment to meet and exceed expectations for high-quality products, along with prompt, reliable service. The rentals business serves rental customers of all sizes, including many of the largest music concerts and festivals in the nation as well as major sporting events. The team provides on-site staffing and logistics with multiple deployable service vehicles and communication trailers to deliver complete technical support capabilities during events of all sizes.

BearCom CEO and President, Bob Craycraft commented, “Like BearCom, the professionals from the event radio rentals business of Creative Communications engage deeply with each rental customer to proactively offer communication solutions designed to increase safety and

efficiency. With our combined resources, we look forward to offering event planners and meeting organizers more value than ever.”

The addition of the highly mobile event radio rentals team further extends BearCom’s capabilities to deliver rental solutions throughout the United States and Canada.

Terms of the transaction were not announced.

Customers who need assistance with two-way radio Rentals, Sales or Services are invited to call 800.767.8405.
