

# waste & recycling expo

## CANADA

<b>Dates and Hours</b>	Conference : Tuesday, November 5 – Wednesday, November 6 Exhibition : Wednesday, November 6 – Thursday, November	8:30 AM – 4:30 PM 10:00 AM – 5:00 PM
<b>Location</b>	International Centre, Hall 5 Toronto, ON, Canada	
<b>Attendees</b>	Representing: collection, hauling, disposal service companies; construction / demolition companies; consultants / engineers; facility / site operators; ICI (industrial, commercial and institutional); landfill operators; manufacturers with waste streams; property managers; recycling coordinators; transportation / fleet maintenance personnel; waste managers; federal, provincial and municipal government employees responsible for waste management and public works; airport managers; road supervisors; lawyers related to the sectors; industry publishers and associations	
<b>Product Categories</b>	<p><b>Composting Systems / Components</b></p> <p><b>Construction &amp; Demolition Waste / Scrap Recycling:</b> battery collection and recycling; collection, hauling &amp; disposal services; construction and demolition and; scrap metal recycling / magnets; shredders</p> <p><b>First Responders Equipment, Supplies / Services:</b> Emergency response, fire, EMT, police, communication systems, radios; demolition, restoration and clean up; hazmat, spill response; fleet and crew management technologies</p> <p><b>Incineration / Gasification / Thermal Technologies</b></p> <p><b>Infrastructure Redevelopment / Public Works:</b> building maintenance / facility management; consulting / engineering; laboratory testing services; waste auditing / environmental management; waste to energy technology; parks &amp; recreation products and services; traffic / pedestrian control; portable toilets; street cleaning equipment; road and ground maintenance</p> <p><b>Landfill Operations / Systems:</b> IC&amp;I waste management; landfill management systems (caps, daily covers, liners, gas / leachate collection &amp; disposal); landfill operators; odor control; occupational health &amp; safety products and services</p> <p><b>MRFs / Transfer Stations / Storage / Containers:</b> compactors / crushers; containers (bins, bags &amp; carts); scales / weighing systems; casters / wheels; lifts / hoists; transfer equipment</p> <p><b>Municipal / Construction Equipment:</b> Backhoes, loaders, bulldozers, skid steers, forklifts, mowers, brush cutters, stump grinders, chippers, rock pickers, sewer cleaners, crack sealing equipment, spray-patchers, pavers, street sweepers, snow and ice control equipment – attachments, spreaders, dump bodies, service bodies</p> <p><b>Natural Gas Vehicles (NGV) / Compressed Natural Gas (CNG)</b></p> <p><b>Recycling Equipment / Services:</b> balers; conveyors / belts; electronic recycling &amp; destruction; glass recycling; instrumentation, control, sampling &amp; monitoring equipment; paper recycling / collection; plastics recycling / collection; recycling, sorting and separation equipment; tire recycling, wood recycling equipment / parts (grinders, delimiters, debarkers, trommel screens, chippers, etc.)</p>	<p><b>Software / Technology / Education:</b> software, internet / multi-media technologies; industry associations; industry information, technical resources, publishing; information technology recovery; training &amp; continuing education; wireless communications</p> <p><b>Sustainability / Green Buildings / Environment:</b> Renewable / clean energy technologies, solar, wind, geothermal, waste-to-energy, Net-zero, energy storage, CNG / NGV, turnkey fuel station systems</p> <p><b>Traffic &amp; Road Safety / Control:</b> Sign structures, railings, bridges, poles, anchors, concrete barriers, noise barriers, crash cushions, guardrails, end terminals, dust control, de-icers, road salt, road maintenance, traffic signs / control, safety products, vegetation control, aggregates, asphalt, gravel, crushing, ready-mix, septic installations, sand &amp; stone supply, excavating, topsoil; pavement engineering &amp; design; equipment storage, warehousing; geotextiles, ground engineering: Culvert rehabilitation, environmental consulting, erosion control, trenching, drainage applications, soil stabilization, retaining walls</p> <p><b>Trucks &amp; Transportation Equipment / Heavy Equipment:</b> GPS tracking systems; heavy equipment, attachments / parts; load cells; material handling equipment; moving floor systems; trailers – manufacturing / services; transportation / fleet maintenance; trucks, hauling equipment – refuse vehicles, front loaders; roll-offs, luggers, hook lifts, etc.; lifters / tippers; snow / ice control equipment; truck, tire / equipment washing systems; truck chassis equipment / parts; hydraulic components; tarping systems; OEMs; backing safety systems</p> <p><b>Waste Treatment / Disposal:</b> pumps, valves, meters; sludge filtration, dewatering / dredging; medical / infectious / special waste; wastewater collection / treatment; industrial chemical cleaners; hazardous waste equipment &amp; services</p> <p><b>Water / Wastewater / Infrastructure / Utilities / Asset Management:</b> Collection systems – operations, maintenance, overflow reduction, unpredictable weather planning, watershed; membrane technologies – wastewater, water reuse, regulatory compliance; plant operations &amp; treatment - technologies, processes, nutrient removal and odor control; residuals &amp; biosolids - incineration, disposal, regulations; stormwater - treatment, management, modeling; utility management - asset management, billing systems, financial planning, regulatory compliance and security; water reuse / recycling - research, regulations and emerging technologies</p>
<b>Fees</b>	<p><b>Exhibitor Participation :</b> Raw space only. – C \$28 / NSF An additional cost of C \$250 per open corner for Corner, Peninsula and Island booth locations. *Subject to G.S.T. and/or H.S.T. Mandatory Marketing Fee of \$395 to include (1) mobile app listing, (1) listing in the official digital directory, online exhibitor search, display up to 5 product photos online, (1) company video upload and (5) social media links.</p> <p><b>Visitor Cost*</b> – C \$45 Early Bird (March 1 - May 1, 2024) C \$55 Pre-Registered (May 2 - November 5, 2024) C \$75 Onsite *Does not include cost of Conference program or Reception</p>	
<b>Education</b>	CWRE Conference – Educational programming
